A HARD GAME.

While Yale was drubbing Harvard yesterday at football the annual game between Dertmouth and Brown was on, and a stubborn game it was. Dartmouth won by the close score of 12 to 5. West Point was scored on by Syracuse, but won comfortably, and the Naval Cadets defeated Virginia Institute. Boston, Nov. 19 —Dartmouth defeated Brown at football this afternoon at American League Park, and for the fourth consecutive year in a game in which both teams showed a wonderful attack but a wofully weak defence by a score of 12 to 5. At the outset the Dartmouth team gave indications of running up a big score, as their two touch-downs came early in the first half and after consistent line plugging On recovering the kick of after the second touchdown. the Brown eleven showed an offence equally as powerful as that of their opponents and by consistent line smashing went to within seven yards of the goal line. Then a penalty for holding was inflicted on Brown, and after trying the line with no success Cobb made a try for a goal from placement, but failed.

Dartmouth kicked out from its own 25-yard line, and Brown brought the ball to the mid-

line, and Brown brought the ball to the middle of the field, where Cobb tried another goal from placement. This time the ball shot low, and Quarter Back Melvin fumbled it as he was tackled by Schwinn, and then Russ. Brown's other end, carried the ball over for a touchdown.

That was all the scoring in the game, although in the second half Dartmouth showed that she could hold for downs, and twice, once on her 30 yard line, did she recover the ball, and again later when the Brunolans had carried it to Dartmouth's 5 yard line. Then by line plugging, with an entirely new back field the ball was brought to the middle of the field. Once Conley broke loose from the bunch, and, surrounded by three men, he made for the goal line. But young Schwartz, the diminutive Brown quarter bsck, was in the way and by a pretty tackle brought the man with the ball to earth. Dartmouth was in a fair way to score as the game was closing, having the ball on Brown 1 yard line.

Keady was a mark for the Brown rushers.

Keady was a mark for the Brown rushers, and it was through that point that Brown gained most. Gilman was the star for Dartmouth, while Vaughan, Gage, Farrier and Capt. Knibbs were not far behind him. Brown's ends. Schwinn and Russ, were the speediest seen this year, preventing punts from being run in by exceptional tackling. Schwartz, Savage, Cobb and Higgins also figured prominelly for the Providence team.

the largest crowd of the season. at Ohio Field the New York University football team went down to defeat at the hands of Union College yesterday. The score was 21 to 0. At no time in the game was the New York eleven able to gain consistently, through its heavier opponent's line. The slowness of New York's attack was probably caused by the slippery condition of the field. Both teams put up a fine exhibition in the

first half, but the local college was forced to play on the defensive most of the time. The local team suffered greatly from off side playing, being penalized nearly 100 yards in the game. Patten, the Union left tackle, and Becker, the visitors' full back, figured largely in the scoring. They were in every play and never failed to make their distance. Capt. Reilley, Cragin and Reynolds were the chief ground gainers for the New York eleven. Cragin played a remarkable game considering the fact that he had a fractured rib. The ine-up: first half, but the local college was forced

Immediately after the game Charles Calhoun Cragin was elected captain of the New York University football team for the season of 1905. He has played on the 'varsity three years, alternating at quarter, end and full back. He prepared at De Witt Clinton High School, where he was captain of the team. This year he played a great game at full back. He is 5 feet 11 inches in height and weighs 170 pounds.

ALL IN THE FIRST HALF. Syracuse Makes It Warm for the West Point Substitutes.

WEST POINT, N. Y., Nov. 19 -In the final home game here to-day the cadets defeated the Syracuse team by a score of 21 to 5. All the cadeta scoring was done in the first half, and had Syracuse put up the article of football she displayed in the second half there would be a different story to tell. In the first half the soldiers started scoring four minutes from the start, Syracuse fumbling the kickoff. Hammond securing the ball on the visitors' 20 yard line and Doe going over shortly afterward for a touchdown. Not once in

afterward for a touchdown. Not once in the first half did Syracuse threaten the army goal, and the half ended with the score West Point, 21: Syracuse, 0.

All the army's points were made in quick succession. West Point, fearful of injuring any of her best men, with the navy game only a week away, appeared satisfied with the score and put in a number of substitutes, and it was around the ends and through Christie at tackle hat the visitors made most of their gains. Williams Wins From Wesleyan.

WILLIAMSTOWN, Mass., Nov. 19. - Williams closed her football season to-day by defeating Wesleyan,23 to 0,on Weston Field before a large crowd of spectators. Weslevan weakened in the second half in her defensive game, and the second half in her defensive game, and williams made large gains. Both teams played a fast game on the offensive. Trick plays gained much ground for Wesleyan. A spectacular tackle by Goodwillie in the first half prevented Wesleyan from seoring. Time was called in the first half with the ball in Wesleyan's possession on Williams's, 12 yard line. Capts. Eyster and Van Surdam, at end and quarter back, respectively, did the best work for Wesleyan. Williams was able to gain by straight line bucking by Brown and Murray.

Pearson and Spencer, and Norton kicked the goal. In the second half Doherty got the ball on a fumble and ran forty yards for a touchdown. Norton missing the goal. Time for the first half was called with the ball in the possession of the visitors four yards from the Navy's goal line. The general showing of the Navy team gave little encouragement to the hopes of its adherents that the Army will have a hard fight. The defence is fairly stiff, but the offensive plays do not appear to have the power to gain against so strong a team as West Point. Spencer, at left half, showed the best ground gaining ability to-day, and Doherty, Grady and Pearson also played creditably. The first half Grady scored after a series of

Washington, Nov. 19.—Georgetown defeated the George Washington University football team to-day, 62 to 0, with the greatest ease in 25 and 20 minute halves. Georgetown presented a much stronger and superior team in every department of the vame. The George Washington team was powerless to make any headway. The game was characterized by long runs, in which Hart carried the ball for eighty-five yards and Richmond ran seventy yards for a touchdown.

Harvard Knows Nothing of Game With Princeton.

CAMBRIDGE, Mass., Nov. 19 .- Reports concerning arrangements for a Harvard Prince-ton football game next fall are not confirmed by the Harvard athletic committee. Prof. White, who is the head of the faculty athletic advisory committee, is in Europe, but Prof. Andrews, another member of the committee is authority for the statement that the athletic committee has heard nothing of such an arrangement Sentiment among the students is by no means in favor of dropping Pennsylvania and substituting Princeton, especially after Harvard's defeat at the hands of Pennsylvania this fall. Relations with Pennsylvania have always been cordial and Pennsylvania have always been cordial and Pennsylvania game has on Harvard hearts. Harvard will, of course, not consent to play Yale, Pennsylvania and Princeton the same season. White, who is the head of the faculty athletic

Jimmy Gardner Knocks Out Rube Smith. In Denver last Friday night Jimmy Gardner of Boston, brother of George Gardner, knocked out Rube Smith of Denver in the fifth round of what was to have been a ten round mill. With the exception of the second round, in which Gardner was floored with a right to the wind. Gardner's superiority was never the wind. Gardner's superiority was never in doubt. As far as the mill went, it was one of the best witnessed in Denver in some time. Both men were trained to the hour, and Smith was the favorite in the betting. Smith made the mistake of mixing it up. He did better at long range. The punch that landed the large end of the purse was a right hook to the jaw. In the fifth Smith rushed and caught Gardner on the head. Jimmy was staggered, but came back smartly. Then there was a lively mix-up in which Smith got the worst of it. When they came together again Gardner feinted and Smith came in. As he did so Gardner sent home the left and the fight was over.

O'Brien has accepted, but says Willie must come to 165 pounds, ringside, before he consent to a match. O'Brien and Willie fought six rounds in Philadelphia recently and this contest was one of the fiercest O'Brien and this contest was one of the fiercest O'Brien ever engaged in. Willie administered a severe beating to his opponent and it was only O'Brien's cleverness and generalship that kept him from going out. O'Brien says if Willie accepts his terms he will post a forfeit of \$500 and sign articles at once. Willie and Mike Schreck were to have fought at the Blue Island Athletic Club near Chicago to-morrow night, but the combat has been called off. Willie developed a boil on his foot and has asked for a postponement.

Automobiles just as they were run on the road by their owners furnished a lot of first rate races on the half mile dirt track of the rate races on the hair mile dirt trace of the old fair grounds at Waverly, N. J., yesterday afternoon. The meet was under the auspices of the New Jersey Automobile and Motor Club. It was the organization's first attempt at promoting races, and the affair was an unusual one in several phases.

No admission was charged to the grounds about

or to the grand stand. The grounds about the track are now a public park, with no fence about them, so an attempt to exact an admission fee would have been rather arduous. All those who came were bidden welcome and handed a well printed programme of twenty pages, and this also was free. The prizes for the races were contributed by various persons, notably B. M. Shanley, Jr., and President Frederick R Pratt of the club, or furnished by the club, as was also the band. Not a raging car was allowed to enter any of the events, and contesting machines had to race in the same trim that they habitually carry on the road. Amateur owners had a field day. or they had an exceptional chance to try out for they had an exceptional chance to try out their cars against those of their neighbors without getting into competition with any specially built machines or professional operators and the result was some of the best contested races that have been seen in the neighborhood, despite the fact that no very

M'LAUGHLIN ENTRY BEATEN IN THE CONSOLATION.

Oraly Two Favorites Finish in Front at Bennings-Imperialist Takes the Chevy Chase Steeplechase-J. E. Seggram's Persistence II. Wins for the Canadians.

Washington, Nov. 19.—The magnificent weather, together with a good card, drew the biggest crowd of the meeting at the Bennings track to-day. The betting con-tingent, however, received a hard jolt, as only we favorites finished first.

The card had two stake events, the Grand

Consolation for two year olds, and the Chevy Chase Steeplechase for gentlemen riders. Society was out in force to cheer for its favorites.

The McLaughlin entry. Oxford and Pasa-

dena, was made an odds on favorite at 9 to 10, for the \$3,000 Grand Consolation Stakes, seven furlongs, over the Columbia course. Gamara was next in demand at 5 to 2, with Dandelien, Shaw up, the outsider The start was good and Oxford showed in

front, but Shaw at once sent Dandellon into the lead and was leading by two lengths at the quarter mile. Oxford was second, one-half a length before Pasadena. Coming to the three-quarter pole. Oxford began to close the gap on the leader. Shaw on Dandelion, however, was not to be caught napping and all through the last sixteenth he put Dandelion under a hard drive and won by a length from Oxford, with Gamara third. Pasadena's race was somewhat of a disappoin tment

J. E. Lane's Imperialist, 4 to 1, scored, a

very easy victory in the Chevy Chase Steeple-chase, about two and a half miles. Black Death was second and Pure Pepper, third. Richelieu II. fell early in the contest and Connover; the heavily played 7 to 10 favorite, when he appeared to be going very easily, tumbled at the end of two miles. Connover made the pace up to the time he fell, with Imperialist in second position, with Pure Pepper third. At the end of a mile and a half Connover was still leading and going very easily. When he fell Imperialist took command and won easily by twelve lengths. Black Death closed up a lot of ground in the last half mile and secured the place, with Pure Pepper third.

The afternoon's sport opened with a seven furlong dash for three-year-olds and up-ward over the Columbia course. The public began right by making Frank Farrell's colt, Juvenal Maxim, favorite, playing him down from 5 to 2 to 9 to 5. He won handily by a neck from St. Roma, the second choice. Kilogram was third. Shaw rushed Juvenal Maxim into the lead at the lifting of the barrier, and was leading at one time by two lengths. In the final sixteenth, Shaw was easing him.

Again in the second race the bettors were down right. In a field of nineteen maiden two-year-olds, five furlongs, Columbia course. they made the Eagle Stable colt, Uncas, a 5 to 2 favorite, but the result was in doubt right up to the flish: Uncas, however, getting the decision by a head, due to Burns's masterly finish. Uncas took the lead in the first quarter, followed by Golden Sunrise, Redfern up. In a ding dong finish, all through the final eighth. Burns lifted his mount home a winner. Golden Sunrise was eight lengths in front of Critical.
J. E. Seagram's Persistence II. at last

made good by capturing the fifth race, which was for four-year-olds and upward, one mile

COLLEGE GYMNASTS MEET.

Next Competition of Association to Be

Held at Princeton in March. At a meeting of the executive committee of the Intercollegiate Association of Amateur Gymnasts of America, held at the Murray Hill Hotel yesterday, it was decided to hold the annual championship at Princeton on March 31. Columbia and Pennsylvania also made bids for the meeting. was admitted to membership in the asso-

ciation.

There was considerable discussion over the proposed alliance with the Western Intercollegiate Gymnastic Association, and it was finally decided that if the Western association were agreeable it would be incorporated as a branch of the Intercollegiate Association of Amateur Gymnasts of America. It is the idea of the executive committee that both associations hold championship meetings on the same day and that the first and second men in each event meet in a dual contest a week later at some neutral place.

place.

E. Z. Wallower, Princeton, proposed that a special event be added to the regular programme. It was agreed that if only two teams compete four points should be divided among the two teams, three to the first and one to the second, but if three or more teams compete the regular awarding of points be adopted, namely, five to the first, three to the second and one to the third. E. Z. Wallower's report showed the association to be better off financially than at any time since its organization.

CHESS.

Marshall Challenges Dr. Lasker to Play for Championship.

Dr. Emanuel Lasker, chess champion of the world, now a resident of this city, yester-day received a challenge to play a match or the championship from Frank J. Marshall. the young Brooklyn master, who won chief the young Brooklyn master, who won chief honors in the masters' tournament at Cambridge Springs last spring and again in St. Louis in October. In the letter which Marshall sent from St. Louis the Brooklyn player asserted his readiness to play for the stake of \$2,000, considered by the champion to be the minimum amount for such a contest.

to be the minimum amount for such a contest.

Dr. Lasker, when seen yesterday, said he would write Marshall in a few days, and in timated he would accept. It would be necessary, he said, for Marshall to deposit a guarantee of \$500 in accordance with custom. Next April, the champion thought, would be the best time for the contest. One of his stipulations was that the player first winning eight games, draws not counting, should win the match. The club offering the best inducement will get the contest.

Bonnie Kirkland Wins on Parkway Track. The numerous sporting events in and about New York yesterday served to lighten the card for the weekly matinée of the Parkway Driving Club over the Parkway course. The sport proved very interesting nevertheless. Lou Alcyone, the chestnut daughter of Alcyone, and the black stallion Bonnie Kirkland, driven respectively by William M. Halsted and Henry Boinest, had a battle royal, the mare taking the first heat and the stallion the last two and the race. The summaries:

Jack O'Brien Toys With Black Bill. Jack O'Brien of Philadelphia tacked another victory to his long list of fights in Philadelphia last Friday night by defeating on points Black Bill, a clever negro, in a six round bout. O'Brien had the battle well in hand from the start, much to the surprise of the colored man's friends, who thought he had an excellent chance of knocking O'Brien out. Black Bill is known as a stiff puncher. O'Brien had his opponent up in the air at all stages of the mill. O'Brien made Black Bill look ridiculous by a series of feints and jabs, but could not get home a blow hard enough to put the negro to sleep. Toward the close of the contest, especially in the fifth and sixth rounds, Black Bill did better. He managed to reach O'Brien's stomach once or twice, but the blows were only glancing ones and did not hurt. points Black Bill, a clever negro, in a six ones and did not hurt.

While John Moller, Jr., may take part in the Country Club of Lakewood open tournament this week, he will not appear so often on the links hereafter as in the past. The secession is due to the golfer having gone into automobile making and he will be found whizzinv along the roads instead of driving and putting on the links. Moller has been working in an oily jumper and overalls for over a month in a big automobile works near Philadelphia, learning all about the construction of the machines in a practical way.

ATLANTIC CITY, Nov. 19 .- Quite a large gathering witnessed the final rounds in the cup events of the annual fall tournament of the Atlantic City Country Club. the greatest attraction being the contest for the Governor's cup, between W. C. Fownes, Jr., of Oakmont Country Club, and W. E. Shackelford, the Atlantic City champion. The match was most interesting from start to finish, and had Shackelford played the brilliant golf in the afternoon that he played in the morning, Fownes would scarcely have won the tournament. Fowner started off at a rapid pace and led by 3 up at the fifth hole, but Shackelford managed to cut his lead down to 1 up at the turn. Fownes, however, won the eleventh and thirteenth holes and the match by 3 up and 2 to play. Their cards were:

In the semi-finals Shackelford met H. W. Perrin, the former Philadelphia champion, and went out in 40 and returned in 89, doing the course in the par golf of 79, and beating Perrin by 6 up and 5 to play. The score

J. Phillips of the Dyker Meadow Golf Club, who defeated E. A. Darby, Atlantic City, by 1 up. Phillips was given a special cup, as the President's cup has to be won three times. the President's cup has to be won three times.

C. B. Fownes and W. E. Shackelford, who have each won the cup twice, will play off to-morrow morning to see which will play F. J. Phillips for the cup in the afternoon.

The third cup was won by W. B. Stevens, Riverton, who defeated E. S. Thorpe, Frankford, in the final, by 3 up and 1 to play; the fourth cup by H. C. Fownes, Oakmont Country Club, who defeated his son, C. B. Fownes, in the final, by 2 up and 1 to play; the fifth cup by Club, who defeated F. M. Bostwick, Merion Cricket Club, in the final, by 1 up (19 holes), and the sixth cup by J. R. Keenan, Atlantic City Country Club, who defeated F. M. Bostwick, Merion Cricket Club, in the final, by 3 up and 2 to play. The approaching and putting competition was won by A. W. Tillinghast. Prizes were given to the runners up in the cup events. The summary follows:

Governor's Cup, Semi-final—W. E. Shackelford, Atlantic City, heat H. W. Perrin, Philadelphia Cricket; by 6 up and 5 to play. C. Fownes, Jr. Oakmont Country, beat A. W. Tillinghast, Philadelphia Country, by 5 up and 3 to play.

Draw. There was plenty of action in the six-round bout between Jimmy Simister and Kid Locke. both of Philadelphia, at Wilmington, Del. last Friday night. The result was a draw, according to the referee, Lew Balley, although in the opinion of the crowd Locke had all the better of the combat. Locke forced the issue from the start. He attacked the body repeatedly, but could not reach

the man's jaw because of Simister's impene-trable guard. Both fighters were cautious in the first round, but after that they mixed things up pretty lively. In the last round Locke nearly floored his opponent with a heavy left book on the chin. Benny Yanger to Meet Maurice Sayers. Benny Yanger, the "Tipton Slasher," whose ring engagements of late have been few and far between, has signed to meet Maurice Sayers of Milwaukee in the main bout at the Milwaukee Boxing Club on Nov. 25. They are to meet for six rounds at 130 pounds weigh in at 3 o'clock in the afternoon. The fistic prowess of Sayers is held in high esteem in the West, and the sports in that part of the country are going to back him to whip Yanger. If Yanger wins he is going to try for a match with Jimmy Britt or any other lightweight.

Lenny and Feltz in Slow Battle The fifteen round bout between Eddie Lenny of Chester and Tommy Feltz of Brooklyn in Baltimere last Fridat night, was a disappointing affair. It was expected that the bout would be lively it was as slow. Lenny seemed to have thints bis own way in the early part of the minbut toward the end he became tired, and his punches lacked steam. Feltz, too, was poor form and his punches were weak. The result was a draw.
